

TABLE OF TREATIES

This table contains a list, in chronological order according to the date of signature, of the treaties referred to in the decisions printed in the present volume. It has not been possible to draw a helpful distinction between treaties judicially considered and treaties which are merely cited.

In the case of bilateral treaties, the names of the parties are given in alphabetical order. Names of countries follow contemporaneous usage except in the case of small spelling changes (e.g. Roumania/Romania) where modern usage is adopted throughout. Where this seems helpful, the name of a treaty as it is commonly known is included.

Wherever possible, each treaty includes a reference to where an online English-language version of the treaty can be found. For treaties between 1648 and 1919, this is almost always the Consolidated Treaty Series (CTS), under Oxford Historical Treaties on the Oxford Public International Law website. Post-1919, references are most frequently to the League of Nations Treaty Series/United Nations Treaty Series (LNTS/UNTS). Here it should be noted that historically LNTS/UNTS references have taken the form “39 UNTS 55”, 39 being the volume number, 55 the page number. With effect from UNTS volume 2301, UNTS no longer includes the volume and page number as part of the reference, using simply the registration number. UNTS references are now in the form UNTS 42146. For ILR purposes, because of its value as an identifier, the registration number is now being added parenthetically to pre-volume 2301 treaties in the form 213 UNTS 221 [UNTS 2889].

Reference is also made to other treaty databases such as the European Treaty Series (ETS), Organization of American States Treaty Series (OASTS) or to Official Journals, particularly where these are the only databases currently hosting a treaty. Where a treaty appears to be available only on the website of the parent international organization, usually without any citation identifier, users are referred to the relevant website. For bilateral treaties, often the only source it has been possible to find is a non-English-language version on one of the parties’ official websites, such as the parliamentary proceedings approving the treaty. Users requiring a comprehensive list of written sources should refer to the CTS, or to the Flare Index to Treaties, available at IALS Digital.

For abbreviations used in the Table of Treaties reference should be made to the list of abbreviations attached to the index in individual volumes.
