# International African Bibliography

Current books, articles and papers  
in African Studies

Edited by Gordon Harris and Michael B. Driskell  
under the direction of J. D. Pearson, School of  
Oriental and African Studies, University of London

This quarterly bibliography lists writings in the field of African studies, excluding the natural and technical sciences, fiction and school textbooks. Entries are arranged geographically, except for works covering Africa in general, which are classified by subject.

Originally published by the International African Institute as part of its quarterly journal *Africa*, the *Bibliography* became a separate publication in 1971. Now compiled at the School of Oriental and African Studies, it has been published by Mansell since 1973, beginning with Volume 3, Number 1.

Subscription rates:  
U.K., £5.00; U.S., \$13.00;  
Elsewhere, £5.50
