THE

HOLY WAR

MADE BY SHADDAI
UPON DIABOLUS
FOR THE REGAINING
OF THE METROPOLIS
OF THE WORLD

OR

THE LOSING
AND TAKING AGAIN
OF THE TOWN OF MANSOUL

By John Bunyan

Edited by James F. Forrest

With a Foreword by Louis L. Martz

Based on the first edition of 1682, with modernized spelling and punctuation but with the full flavor of Bunyan's colloquialism retained, this major work by the author of *The Pilgrim's Progress* has a particular relevance to our own time. The Puritanism that inspired it still permeates the very fabric of modern civilization. Many critics see clear parallels in the visions of the Absurdists to the concepts of the Puritans.

Unfortunately neglected for many years, with no satisfactorily annotated edition having appeared previously in this century, this carefully edited text will have great importance to all with an interest in the history of ideas, as well as the literature of the period.
