Knowledge is never far away

In order to understand the complete legal picture, it's necessary to have all the information to hand.

Providing you with UK, EU and US material and encompassing a wealth of authoritative analytical information, Westlaw UK delivers not only the law, but the history behind it.

- Cases back to 1865 including authoritative analysis of the law.
- Fully consolidated legislation detailing Acts since Magna Carta with a unique facility showing you how the law stood before and after amendments. And SIs from 1948.

Complemented by the old you'll find the new...

- News and business information from Reuters, Dow Jones and leading newspaper titles.
- Access to abstracts from over 800 journals via The Legal Journals Index.
- Analytical commentary including Archbold, The White Book, Woodfall, Palmer's Company Law, Copinger and more.

All information is cross-referenced for seamless searching, so while you don't miss a thing, you do save time and effort.

For peace of mind in legal research, choose a partner who gives you the complete picture.
