

Crystal structure of cloxacillin sodium monohydrate, $C_{19}H_{17}ClN_3O_5SNa(H_2O)$ — ERRATUM

James Kaduk, Amy M. Gindhart, and Thomas N. Blanton

doi: <https://doi.org/10.1017/S0885715619000678>, Published
by Cambridge University Press, 2 September 2019

The initial version of Kaduk et al. (2019) that was published
contained copyediting notes.

The online version has been corrected to remove those notes.
This has not affected any of the resultant text.

The publisher apologizes for these errors.
