UNIVERSITY OF NIJMEGEN, THE NETHERLANDS  
POST GRADUATE COURSE IN EAR SURGERY

TO BE HELD FROM APRIL 26 TILL MAY 2, 1981

THE department of otorhinolaryngology of the University of Nijmegen announces the 16th Post Graduate Course in Ear Surgery which will be held from April 26th till May 2nd, 1981.

The course will deal with the contemporary concepts of aetiology and treatment of chronic ear disease and otosclerosis.

The course, which will be given in English, includes lectures, panels, televised surgery and temporal bone exercises and is meant for certified E.N.T. surgeons.

Participation is limited. A ladies program will be arranged.

The course fee of DFL. 2400 includes accommodation with full board. Guest faculty: Mr. J. D. K. Dawes and Mr. W. M. S. Ironside (United Kingdom), Mr. W. Offerman (F.R.G.), Prof. J. Marquet (Belgium).

For further information please write to Prof. Dr. P. van den Broek, University Hospital Sint Radboud, Department of Otolaryngology, Philips van Leydenlaan 15, 6500 HB NIJMEGEN, The Netherlands.

TEMPORAL BONE SURGICAL DISSECTION COURSES

OFFERED BY

THE DEPARTMENT OF OTORHINOLARYNGOLOGY

THE UNIVERSITY OF MICHIGAN MEDICAL SCHOOL, ANN ARBOR, MICHIGAN

MALCOLM D. GRAHAM, M.D.—COURSE DIRECTOR

OCTOBER 13–17, 1980      DECEMBER 1–5, 1980

These Courses will be given in the new Temporal Bone Surgical Dissection Laboratory of the Department of Otorhinolaryngology and the Kresge Hearing Research Institute of the University of Michigan.

These intensive one week courses will emphasize the surgical and anatomical approaches to the temporal bone and will be presented in a manner relevant for the otologic surgeon, utilizing lectures and videotape presentations of surgical techniques, as well as temporal bone dissection.

Both mornings and afternoons will be spent in the dissection laboratory, thereby giving extensive drilling experience in both temporal bone anatomy and surgical techniques. Lectures and demonstrations will be provided by members of the faculty of the Department of Otorhinolaryngology and Kresge Hearing Research Institute, thereby uniquely blending basic science and clinical otologic instruction. Drill handpieces and dissection instruments will be provided.

The fee for these courses will be \$1,000.00 for each physician.

For further information, contact: Malcolm D. Graham, M.D.

Department of Otorhinolaryngology
