

INDEX OF AUTHORS

	PAGE
ADAIR, G. S., <i>see</i> TAYLOR.	
ADAIR, M. E., <i>see</i> TAYLOR.	
BAKER, JOHN R. and RANSON, R. M. The Spermicidal Powers of Chemical Contraceptives. VI. An Improved Test for Suppositories	474
BAMFORTH, J. An Enquiry into the <i>Coli anaerogenes</i> Bacteria	69
BARDSLEY, DORIS A. The Distribution and Sanitary Significance of <i>B. coli</i> , <i>B. lactis aerogenes</i> and Intermediate Types of Coliform Bacilli in Water, Soil, Faeces, and Ice-cream. (With 4 Graphs in the Text)	38
BEDFORD, T. and WARNER, C. G. On Methods of Measuring Skin Temperature. (With 10 Figures in the Text)	81
BEDFORD, T. and WARNER, C. G. The Globe Thermometer in Studies of Heating and Ventilation. (With 4 Figures in the Text)	458
BIGGER, JOSEPH W. The Bacteriological Examination of Mussels	172
BOND, L. T., <i>see</i> DUDGEON.	
BONSER, GEORGIANA M. The Incidence of Intrathoracic Tumours in Leeds. (With 1 Graph)	218
BRENNAN, J. R., <i>see</i> DUDLEY.	
CHRISTIAN, M. I., <i>see</i> MATTICK.	
CULBERTSON, J. T., <i>see</i> STRONG.	
DUDGEON, Prof. LEONARD S. and BOND, L. T. On the Digestive Action of Leucocytes, Pus and Body Exudates	99
DUDLEY, SHELDON F. and BRENNAN, J. R. High and Persistent Carrier Rates of <i>Neisseria meningitidis</i> , unaccompanied by Cases of Meningitis	525
FAIRLEY, A., LINTON, E. C. and FORD-MOORE, A. H. The Toxicity to Animals of 1:4 Dioxan	486
FAIRLEY, A., LINTON, E. C. and WILD, F. E. The Absorption of Hydrocyanic Acid Vapour through the Skin	283
FERGUSON, A. E. and FERGUSON, T. The Examination of Blood Films in Relation to the Prevention of Plumbism among Shipbreakers	295
FERGUSON, T., <i>see</i> FERGUSON, A. E.	
FINE, J. The Influence of Avitaminosis on the Course of Trypanosome Infection	154
FORD-MOORE, A. H., <i>see</i> FAIRLEY.	
GARROD, LAWRENCE P. A Study of the Chick-Martin Test for Disinfectants	322
GILL, Col. C. A. Population Growth and Birth-control. A Biological Study	502
GREENWOOD, Major. Droplet Infection. Some Theoretical Considerations	1
GRIFFITH, F. The Serological Classification of <i>Streptococcus pyogenes</i>	542

	PAGE
GUDJONSSON, SK. V. and JACOBSON, C. J. A Fatal Case of Silicosis. (With Plates I-III, containing Figs. 1-6)	166
HAINES, R. B. The Minimum Temperatures of Growth of some Bacteria. (With 1 Figure in the Text)	277
HOYLE, L. The Haemophilic Bacteria of the Upper Respiratory Tract, the Appearance of Virulent Forms in Relation to Upper Respiratory Infections. (With Chart including Figs. 1-6)	195
IREDALE, J. L. G., <i>see</i> WARREN.	
JACOBSON, C. J., <i>see</i> GUDJONSSON.	
KERMACK, W. O., MCKENDRICK, A. G. and MCKINLAY, P. L. Death-rates in Great Britain and Sweden; Expression of Specific Mortality Rates as Products of Two Factors, and some Consequences thereof. (With 6 Figures in the Text)	433
KIRKPATRICK, J., <i>see</i> MCCALLUM.	
LINTON, E. C., <i>see</i> FAIRLEY.	
LONIE, THOMAS C. Weight, Height and Nutrition. Observations from the Isle of Ely	131
MCCALLUM, GAVIN B. and KIRKPATRICK, JOHN. Tuberculosis in the Hebrides: the Rarity of Tubercle Bacilli in the Milk of Cows—with a Note on the Vitality of Tubercle Bacilli preserved in Frozen Milk	141
MACDONALD, A. D. and MAITLAND, H. B. The Examination of Cotton, Coir, and Esparto-Grass Dust for Histamine	317
MCGIBBON, J. P. The Anomalous Features of the Dick Reaction	30
MCKENDRICK, A. G., <i>see</i> KERMACK.	
MCKINLAY, P. L., <i>see</i> KERMACK.	
MADDOCK, E. C. G. Further Studies on the Survival Time of the Bovine Tubercle Bacillus in Soil, Soil and Dung, in Dung and on Grass, with Experiments on Feeding Guinea-pigs and Calves on Grass Artificially Infected with Bovine Tubercle Bacilli	372
MAITLAND, H. B., <i>see</i> MACDONALD.	
MARTIN, W. J. The Epidemic Curve of Smallpox. (With 3 Graphs in the Text)	10
MATTICK, A. T. R. and CHRISTIAN, M. I. The Vernes Test for the Diagnosis of Tuberculosis in Dairy Cattle. (With 1 Chart)	157
MYERS, G. NORMAN. An Experimental Investigation on the Influence of Emulsions of Oils and Fats on the Lethal Effects of Bacterial Toxins	250
RANSON, R. M., <i>see</i> BAKER.	
RUSSELL, W. T. and SALMON, G. Pulmonary Tuberculosis in Wales between 1911 and 1931	380
SALMON, G., <i>see</i> RUSSELL.	
SALMONELLA SUBCOMMITTEE. The Genus <i>Salmonella</i> Lignières, 1900. Issued by the Salmonella Subcommittee of the Nomenclature Committee of the International Society for Microbiology	333
SAUNDERS, J. C. Typhoid Epidemic in Cork City, 1920. (With Graphs I-III and a Map)	265
SMITH, E. C. Filtration Experiments with <i>Spirochaeta schaudinnii</i>	429
