

# JOURNAL OF BIOSOCIAL SCIENCE

Supplement No. 2

## BIOSOCIAL ASPECTS OF SEX

Proceedings of the sixth annual symposium of the Eugenics Society  
London, September 1969

### Genetic and environmental aspects

- |                |   |
|----------------|---|
| C. E. FORD     | Cytogenetics and sex determination in man and animals |
| W. A. MARSHALL | Sex differences at puberty                            |
| D. J. WEST     | Aspects of homosexuality                              |

### Sex ratios in different populations

- |                  |  |
|------------------|--|
| A. W. F. EDWARDS | The search for genetic variability of the sex ratio  |
| M. S. TEITELBAUM | Factors affecting the sex ratio in large populations |
| P. R. COX        | Sex differences in age at marriage                   |
| ROSEMARY FIRTH   | The social images of man and woman                   |

### Comparative occupational performances

- |                    |  |
|--------------------|--|
| R. R. DALE         | A comparison of the academic performance of male and female students in schools and universities |
| B. T. DAVIES       | The comparative employability of men and women in different industries                           |
| KATHLEEN M. KENYON | <b>The Galton Lecture 1969: Women in academic life</b>   |

### Sociological aspects

- |                    |   |
|--------------------|---|
| ROBERT CHESTER     | Sex differences in divorce behaviour                  |
| FRANCES HEIDENSOHN | Sex, crime and society                                |
| K. BERGMANN        | Sex differences in the neurotic reactions of the aged |
| D. M. POTTS        | Which is the weaker sex?                              |

Price £2.50; US \$7.00
