

IN A DARK TIME

Edited by Robert Jay Lifton
and Nicholas Humphrey

This anthology for the nuclear age is about the insanity of war. Drawing on the literature of the past 2500 years—from Sappho to Bob Dylan—it portrays human beings at their worst and at their best: as savage warriors, and as individuals who have the courage to say no.

CORPORATISM AND CHANGE

Austria, Switzerland, and the Politics of Industry

By **PETER J. KATZENSTEIN**

Small nations, including Austria and Switzerland, have had to deal with conditions of economic openness and vulnerability throughout modern history. In this new book the author details the political-economic strategy that has allowed these two small countries to maintain stable institutions in the face of postwar-era trends. \$35.00

How To Comply With The New COPYRIGHT Law

Participation in the Copyright Clearance Center (CCC) assures you of legal photocopying at the moment of need.

Libraries everywhere have found the easy way to fill photocopy requests legally and instantly, without the need to seek permissions, from more than 3000 key publications in business, science, humanities and social science. You can:

Fill requests for multiple copies, interlibrary loan (beyond the CONTU guidelines), and reserve desk without fear of copyright infringement.

Supply copies from CCC-registered publications simply and easily.

The Copyright Clearance Center is your one-stop place for on-the-spot clearance to photocopy for internal use.

Its flexible reporting system accepts photocopying reports and returns an itemized invoice. You send only one convenient payment. CCC distributes it to the many publishers whose works you need.

And, you need not keep any records, the CCC computer will do it for you. Register now with the CCC and you will never again have to decline a photocopy request or wonder about compliance with the law for any publication participating in the CCC.
