

**CORRECTION TO “CONSTRUCTION METHODS FOR
BHASKAR RAO AND RELATED DESIGNS”**

The above paper, by Peter B. Gibbons and Rudolf Mathon, appeared in Volume 42 (1987), 5–30.

Pages 10 and 11 are misplaced, and should appear between pages 17 and 18.

In the table for $\text{GBRD}(4, 3, 6; Z_2) C_2$ in Appendix A2, the off-diagonal 0 (row 2, column 6) should be $-$.
