■ What happens

Roche

during a **flu pandemic**, when the people who are supposed to help get sick too?

In the event of a flu pandemic, it is expected to take at least **4 – 6 months** for a vaccine to become available.

How will you be protected?

What **?**
Happens **■**

Call for Artwork

The cover design of *Prehospital and Disaster Medicine* calls for a photograph of relevant artwork.

If you have access to artwork that you think may be appropriate, please submit a high-resolution print or an electronic file (in TIF or JPG format) to:

Dana Schmidman, Editorial Assistant
3330 University Avenue, Suite 130
Madison, Wisconsin 53705 USA
E-mail: ds5@medicine.wisc.edu

All submissions will be evaluated by a panel of judges.
Items not selected will be returned to the sender.
