NOTICE TO MEMBERS

INCREASE IN SUBSCRIPTIONS, 1958

Members are advised that at their January meeting the Executive Council decided, after careful consideration, that it would be necessary to increase the membership subscriptions with effect from 1st April, 1958

Subscriptions were last raised nine years ago, in 1949. Since that date, the administrative costs of the Association have risen considerably. The cost of printing has increased sharply and this represents a major item in the Association's accounts. The decision was not reached without regret but it has become increasingly apparent in recent years that additional funds are essential to enable the Association to continue its present activities.

The new subscription rates will be as follows —

| | <i>Resident in G B</i> | <i>Resident outside G B</i> | |
|-------------------|----------------------------|---------------------------------|--------------|
| Founder Members | £4 4 0 | £3 3 0 | (U S \$9 20) |
| Members | £4 4 0 | £3 3 0 | „ |
| Associate Members | £3 3 0 | £2 12 6 | (U S \$7 50) |
| Companion Members | £3 3 0 | £2 12 6 | „ |
| Students | £1 11 6 | £1 11 6 | (U S \$4 50) |

Members holding Bankers Orders are requested to advise their Bankers immediately of the amended amount.
