

THE BRITISH SOCIETY FOR THE HISTORY OF SCIENCE

The British Society for the History of Science welcomes members from all backgrounds, in the UK and internationally. Current members include academics, writers, students, museums professionals, schoolteachers and anyone with an interest in some aspect of the history of science, technology and medicine. Details of the annual subscription can be found on our website www.bshs.org.uk, or from the Executive Secretary at the address below.

BjHS Themes is a fully open access journal for the history of science community. It aims to publish scholarly and engaging collections of history of science papers which address provocative themes, and which will be free for readers and offer no financial barrier to publication for authors. Like its sister publication, *British Journal for the History of Science*, *BjHS Themes* is a journal of the British Society for the History of Science, a major learned society for its subject. Issues are available at the following URL: <https://www.cambridge.org/core/journals/bjhs-themes>

The Society's magazine, *Viewpoint*, an informal publication, appears three times a year. It is free to members, £12.00 for institutions and UK non-members, £17.00 for overseas non-members from the Executive Secretary.

Administrative business of the Society is handled by Lucy Santos, Executive Secretary, British Society for the History of Science, PO Box 3408, Norwich, NR3 3WE. The Society is registered in England as a Limited Company (No. 562208) and is a Registered Charity (No. 258854). Email office@bshs.org.uk.

Information about the Society is available through the Internet: <http://www.bshs.org.uk>
