Do anthocyanins in purple tomatoes reduce the risk of cardiovascular disease?—Retraction

S. Achterfeldt, M. Traka, C. Martin, D. Vauzour and P. A. Kroon

doi:10.1017/S0029665115001007, Published by Cambridge University Press, 15 April 2015

The authors (with the exception of Sebastian Achterfeldt) have requested the retraction of this abstract as the published results have been subjected to reanalysis and differ from the published data.
