Heating reduction with shock control for a V-shaped blunt leading edge – CORRIGENDUM

Tao Zhang, Luoyu Rao, Xuhui Zhang, Chongguang Shi, Chengxiang Zhu and
Yancheng You

doi:10.1017/jfm.2024.1157, Published by Cambridge University Press, 26 December 2024

In the above article Xuhui Zhang's affiliation was given incorrectly as China Aerodynamics Research and Development Center. This should have been China Academy of Aerospace Science and Innovation.

The article has been updated accordingly. The authors apologise for the error.
