## Update On Diabetic Neuropathy

Toronto, June 1993

This symposium on diabetic neuropathy was held during the XXVIII Canadian Congress of Neurological Sciences in Toronto on June 15, 1993. The symposium consisted of 4 separate talks by international leaders in the field and a discussion of issues pertinent to the current status of our knowledge regarding diabetic neuropathy.

### ACKNOWLEDGEMENTS

*The authors wish to thank Wyeth-Ayerst (particularly Dr. Bernard LeDuc, Vice President of Scientific Affairs of the Canadian Centre for Clinical Research & Development of Wyeth-Ayerst Research and Mr. James Nolan, Senior Director of Wyeth-Ayerst International) for financial support for the meeting, guest speakers, and publication of the proceedings. We also wish to thank Lucile Edwards and Sally Gregg of the Secretariat of the Canadian Congress of Neurological Sciences for their assistance in the planning and publication of the symposium.*
