Program for the 1971 Annual Meeting of the American Political Science Association

The 67th Annual Meeting of the American Political Science Association will be held in **Chicago** at the Conrad Hilton Hotel, **September 7-11, 1971**. The Program Committee is listed below. The members of the Committee and the Program Chairman welcome suggestions from members of the profession on specific papers, specific panels, or on the general structure of the program. We would be happy to have ideas for innovation; we would be happy to be reminded of tradition we have slighted. If you have suggestions or comments on the program, please communicate to one or more of those listed below. It is important to have these communications early. More definite plans for the meetings will be taking shape in the fall.
