CONTRIBUTORS

W. T. S. GOULD is Senior Lecturer in Geography at Liverpool University. He is particularly interested in the study of African migration and in its relevance for educational planning, on which he has served as a consultant to World Bank projects in many countries.

ROBERT M. HECHT has conducted fieldwork among the Fulani of Upper Volta and the Dida of Ivory Coast, the latter in pursuit of his doctorate in social anthropology from Cambridge University. He is at present a staff member of the World Bank specializing in agricultural development.

J. P. KIERNAN is Associate Professor of Social Anthropology in the Department of African Studies, University of Natal, Durban. He has conducted fieldwork among town-dwelling and farming Zulus and written articles dealing with urban sects in South Africa and with related issues in the anthropology of religion.

PETER LITTLE has carried out extensive field research in Kenya and is a Research Fellow of the Institute for Development Anthropology and of the State University of New York, Binghamton.

ROSALIND SHAW is Temporary Lecturer in the Department of Religious Studies, University of Aberdeen. She has done fieldwork in Sierra Leone and in eastern Nigeria.
