1966 AFRICAN TOUR-SEMINAR PROGRAM

11 countries—32 days—August 5-September 6

Because of the success of past Tour-Seminar programs, the Association is offering another in its series of travel study opportunities during the summer of 1966, in Africa.

In addition to direct conversations with governmental leaders of the countries on the itinerary, tour-seminar participants will meet with members of the faculties of local universities, U.S. Foreign Service Personnel, foreign press representatives, etc. Opportunity will be provided for a limited amount of personal research and sight-seeing. The entire trip is being planned with the cooperation and support of the U.S. Department of State and the U.S. Information Service.

TRANSPORTATION

As was the case with the 1965 Latin American Tour-Seminar, this program will be carried out on regularly scheduled jet flights of reputable international carriers.

The African Tour-Seminar is based on the group fare, requiring a minimum of 25 participants.

EXPENSES

The cost to Association members will be about \$1600—substantially less than it would be for a similar trip arranged on an individual basis. Included in the fare will be round-trip tourist air transportation, first class hotel accommodations, numerous meals, baggage handling, and airport transfers. (On the basis of past experience, participants can expect that the cost of this educational activity will be accepted as deductible expense on Federal tax returns.)

For further information concerning this unique educational, research, and travel opportunity, write immediately to: APSA 1966 African Tour-Seminar, The American Political Science Association, 1726 Massachusetts Avenue, N.W., Washington, D.C. 20036. A brochure giving full details and reservation information will be mailed to you.
