

This volume offers a lively and accessible guide to some of the major issues current in French philosophy today and to some of the figures who are or have been influential in shaping its development. The collection is unusual and interesting in bringing together a range of contributors from both Britain and France, and is intended not only for professional philosophers but also for those with a more general interest in the French intellectual scene.

*Contributors:* Pascal Engel, J. J. Lecercle, Michèle Le Dœuff, Michel Deguy, Vincent Carraud, Bruno Latour, Paul Ricoeur, Richard Kearney, Cyril Barrett, Mary Tiles, Elie Georges Noujain, David Wood, Gregory Elliott, David Farrell Krell.
