Cognitive Sports Therapy Manual: Mind – Body – Breath by Claire Gillvray, Nicola Ostler and Lucy Hibben. Edited by Tom Diethel
- Feel the Stillness of my Life: 'My Fight against Depression and Psychosis'* by Ruth Paddon

Cover image

In this issue, an article by Odejimi et al (pp. 140–145) explores the root causes of deaths by suicide among patients under the care of a mental health trust, providing an insight that could influence the manner in which decisions, policies and resource allocation are carried out to further prevent and reduce the incidence of suicide among mental health patients.
