THE PREHISTORIC SOCIETY

The Society was originally founded in 1908 as the Prehistoric Society of East Anglia. The scope of the Society's work gradually expanded until, at the Annual General Meeting in 1935, the local designation was dropped from its title.

THE PROCEEDINGS

The series of *Proceedings* published by the Society under its earlier name was terminated by volume VII, part III, issued in January, 1935.

The New Series began with Vol. I, issued in December, 1935. Vol. II has been issued as two parts and this will be the normal practice.

Back numbers of the *Proceedings* can be supplied, with certain exceptions, on application to the Honorary Secretary, Selwyn College, Cambridge.

BINDING-CASES FOR PROCEEDINGS

Official buckram binding-cases for annual volumes of the *Proceedings* can be obtained (exclusively) from John Bellows, Ltd., Eastgate, Gloucester, England. Price 6/–, post free, including cost of binding, or binding-cases only for 3/9, post free. Members desiring to have their *Proceedings* bound should send them to Messrs. Bellows.

CONTRIBUTIONS TO THE PROCEEDINGS

Original notes and papers, and books and shorter articles for notice or review, should all be sent to the Honorary Editor at the University Museum of Archaeology and Ethnology, Downing Street, Cambridge, or 42, Barton Road, Cambridge.

MEMBERSHIP AND SUBSCRIPTION

Admission to membership of the Society is by election and is open to individuals and to institutions and libraries. An entrance fee of 10/– is payable on election. Further particulars can be obtained from Mr C. W. Phillips, M.A., F.S.A., Honorary Secretary, Selwyn College, Cambridge.

The annual subscription of 15/–, which entitles members to two half-yearly parts of the *Proceedings* (price to non-members £1), is payable in advance on January 1st. Cheques, or preferably banker's orders, should be sent to the Honorary Treasurer, Mr E. M. M. Alexander, c/o The Department of British and Mediaeval Antiquities, British Museum, London, W.C. 1.
