How/Where did you hear about SHEA? _____

MEMBERSHIP FEE: (Non-U.S. members pay with draft for U.S. dollars)

_____ Active Membership (Calendar year dues \$85)
 Applicants must hold a doctoral degree and should either work in the field of hospital epidemiology or have a direct interest in hospital epidemiology.

_____ Associate Membership (Calendar year dues \$35). Training Program ends in _____ / _____
 MO. Yr.
 Applicants must hold a doctoral degree and be participating in an appropriate training program.
Proof of training must accompany this application.

Membership Fee includes subscription to the Society's official journal, *Infection Control and Hospital Epidemiology*

Make checks payable in U.S. dollars to: The Society for Hospital Epidemiology of America
 PAYMENT: Check Credit Card: Visa Mastercard Please note we cannot process American Express

Account No. _____ Expiration Date _____ Signature _____

Put a uvex better breathing™ HEPA-Tech™ respirator between you and TB.

Please read all warnings on literature and packaging materials. Not for use against any other airborne or bloodborne pathogens.

With tuberculosis on the rise, you're at significant risk of being exposed if you're in contact with patients in an enclosed location. The **uvex better breathing HEPA-Tech 3010** disposable respirator fully meets the CDC and OSHA guidelines for preventing the transmission of TB in healthcare environments. The HEPA-Tech is not only effective, it's comfortable. Choose from **three sizes** (small, medium, and large) with soft, formed-foam sealing

surfaces and adjustable headbands. The unique **"fit-check cup"** assures a reliable fit every time. And with HEPA-Tech, breathing resistance is so low there's **no need for an exhalation valve**, making it more attractive and less threatening. HEPA-Tech is NIOSH certified (No. TC-21C-604). For more information and a free sample, mail or fax the coupon along with your business card. And start breathing easier about TB exposure.

Please include your business card. Mail or fax to uvex at 800-232-9674, Access Code 4293808##.

Send me more information and a free sample of the uvex better breathing™ HEPA-Tech™ respirator (Offer expires 7/31/94)

I need HEPA-Tech now Have a uvex distributor call me.

Beats Everything in Sight

**1994 SHEA/CDC/AHA Training Course in Hospital Epidemiology
Scholarships for Infectious Disease Fellows**

REGISTER NOW

- Program** The program will be held May 7-10, 1994 at the Omni Shoreham Hotel, Washington, DC. Donald A. Goldmann, M.D., William Martone, M.D., and Gina Pugliese, R.N., M.S., will co-chair the program. Enrollment in the program is limited to 120.
- Purpose** This program, developed by the Society for Hospital Epidemiology of America (SHEA), the Centers for Disease Control and Prevention (CDC), and the American Hospital Association (AHA), is intended for infectious disease fellows and new hospital epidemiologists. It emphasizes hands-on exercises in which participants work in small groups to detect, investigate, and control epidemiological problems encountered in the hospital setting. These work sessions are supplemented with lectures and seminars covering fundamental aspects of hospital epidemiology including epidemiology and surveillance, epidemic investigation, transmission and control of nosocomial infections, disinfection and sterilization, employee health, isolation systems, regulatory compliance, and quality improvement.
- Who Should Attend** You should attend if you are a hospital epidemiologist or an infection control practitioner or if you are looking for a course that will provide you the most current information concerning infection control practices and epidemiological methods in health care. This fundamental program will provide you with the opportunities to find solutions to real situations that will occur in the hospital setting. Intensive problem solving sessions are supplemented with lectures and seminars presented by leading authorities.
- Fees**
- | | |
|-------------------------------|-------|
| Individual registrants | \$495 |
| Fellows in Infectious Disease | \$350 |
- Credits** The Centers for Disease Control and Prevention (CDC) is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.
- The Centers for Disease Control and Prevention designates this continuing education activity for up to 21 hours in Category 1 of the Physician's Recognition Award of the American Medical Association.
- General Course Information** Information regarding the schedule, hotel and travel accommodations, discount airfare, and course fees are available from SHEA. Contact Ian Dockrill at (609) 845-1720. Note that application for a scholarship does not constitute enrollment in the program. This must be done separately.

Scholarship Awards provided in part by an educational grant from
