Ageing & Society

Published for the Centre for Policy on Ageing and the British Society of Gerontology

Editor

Christina R. Victor, *Brunel University, UK*

Ageing & Society is an inter-disciplinary and international journal devoted to the understanding of human ageing and the circumstances of older people in their social and cultural contexts. It draws contributions and has readers from many academic social science disciplines, and from clinical medicine and the humanities. In addition to original articles, *Ageing & Society* publishes book reviews, occasional review articles and special issues.

Ageing & Society has now moved to online submissions. The entire review process is now being conducted through the Manuscript Central platform, including revisions and editorial assessments. If you wish to submit a paper to the journal please do so via the website.

Cambridge Quarterly of Healthcare Ethics

A partner journal of the American Society for Bioethics
and Humanities

Editors

Thomasine Kushner, *University of California, Berkeley, USA*

Steve Heilig, *San Francisco Medical Center, USA*

The Cambridge Quarterly of Healthcare Ethics is designed to address the challenges of biology, medicine and healthcare and to meet the needs of professionals serving on healthcare ethics committees in hospitals, nursing homes, hospices and rehabilitation centres. The aim of the journal is to serve as the international forum for the wide range of serious and urgent issues faced by members of healthcare ethics committees, physicians, nurses, social workers, clergy, lawyers and community representatives

Journal of Social Policy

A Journal of the Social Policy Association

Editors

Misa Izuhara, *University of Bristol, UK*

Patricia Kennett, *University of Bristol, UK*

The *Journal of Social Policy* carries high quality articles on all aspects of social policy in an international context. It places particular emphasis upon articles which seek to contribute to debates on the future direction of social policy, to present new empirical data, to advance theories, or to analyse issues in the making and implementation of social policies.

The *Journal of Social Policy* is part of the 'Social Policy Package' with *Social Policy and Society*.

Instructions for Contributors

1. All contributions should be submitted online at <http://mc.manuscriptcentral.com/hepl>. Please send all general correspondence to Azusa Sato, Editorial Assistant, *Health Economics, Policy and Law*, LSE Health and Social Care, London School of Economics and Political Science, Houghton Street, London WC2A 2AE, United Kingdom (Email: hepl@lse.ac.uk).
2. Original research articles should be between 6,000 and 8,000 words, including tables and figures, with an accompanying abstract not exceeding 200 words. Contributors should note the journal's editorial policy, which is stated within the inside front cover.
3. Guest editorials will be invited pieces in which authors will provide a short, analytical commentary on a topical issue. The recommended length for guest editorials is 2,000 words. Some issues of the journal may also contain review articles (5,000 words) and debate essays (3,000 words). Review articles will feature a discussion of two or three books on a related theme while debate articles will assess an area within the scholarly disciplines or policies pertinent to health. For specific comments on the appropriateness of an idea for a review article, debate essay or a research article generally, please contact Adam Oliver at a.j.oliver@lse.ac.uk or Elias Mossialos at e.a.mossialos@lse.ac.uk
4. Submission of an article is taken to imply that it has not been previously published and is not being considered for publication elsewhere. Authors of articles published in the journal assign copyright to Cambridge University Press (with certain rights reserved) and you will receive a copyright assignment form for signature on acceptance of your paper.
5. All articles should be written in English (authors are responsible for any language editing required) and should follow the style sheet which contains detailed information on referencing, footnotes, spelling etc. The full style sheet may be found at: journals.cambridge.org/hep or obtained from the Editorial Assistant (hepl@lse.ac.uk).
6. First proofs may be read and corrected by contributors provided they can return the corrected proofs within two days of receiving them.
7. *Health Economics, Policy and Law* endorses the International Committee of Medical Journal Editors' Uniform Requirements for Manuscripts Submitted to Biomedical Journals. Authors should familiarise themselves with the Uniform Requirements at www.ICMJE.org before submitting their manuscripts.
8. Each contributor will be provided with a copy of the PDF version of their article to create printed offprints.
