THE TRUTH ABOUT ROBIN HOOD

By P. VALENTINE HARRIS

New discoveries which vindicate the belief of a former Vice-President of the Society of Antiquaries that Robin Hood was an historical figure. The finding of characters from the Fourteenth Century *Geste* (Sir Roger de Doncaster, Richard of the Lee and others), together with other historical evidence, and a critical examination of opposing theories, throws a new light on the whole subject.

Some Press Comments

'The author has achieved his purpose and his able and painstaking research and documentation leave the reader in no doubt that his hero was no creation of the ballad-maker but a character as real as Dick Turpin.' *The Field.*

'A valuable contribution for claiming Robin Hood from the mythologists.'

Nottingham Guardian.

'Packed with interesting references and stories.'

Yorkshire Gazette.

'A writer who has diligently searched existing records and brought new evidence to light.'

Yorkshire Post.

'A most interesting survey of the whole Robin Hood controversy.'

Manchester Guardian.

'Should be of considerable interest to any student of this popular subject. One of the greatest merits of the book is the good humour with which Mr. Harris treats his investigations. This combined with the author's modesty... comes as a welcome relief after the century and a half of heated disputation that began with Joseph Ritson's celebrated ballad edition of 1795.'

J. B. Bessinger in *Folk-Lore.*
