## **PROBLEMS OF PARLIAMENTARY GOVERNMENT IN COLONIES**

A report prepared by the Hansard Society on the problems involved in developing parliamentary institutions in colonial territories.

**Crown 8vo.**

**164 pages.**

**\$1.75.**

"This admirable little book . . . (noted for) the lucidity of its style. . . . The authors have said the things that need constantly to be borne in mind, and have found words in which to say them which are a model of restraint. . . . Admirably set out and amounts to a complete skeleton plan for further research. . . . Selected bibliographies greatly add to the value."—*The Times Literary Supplement*

"The best simple statement of the most urgent colonial question of our time. It deserves to be read because it is readable—the language plain and clear; the argument admirable in point and balance."—*Journal of African Administration*

"Should do much to provide a clearer background to political events in colonial territories."—*The Times*

"Of the greatest significance . . . should be in the library of every colonial politician, civil servant and student of affairs."—*Daily Argosy, British Guiana.*
