

Los Alamos Director Hecker is Plenary Speaker at 1994 MRS Fall Meeting

Siegfried S. Hecker, director of the Los Alamos National Laboratory, Los Alamos, New Mexico, will deliver the plenary address at the 1994 MRS Fall Meeting. The plenary session is scheduled for Monday, November 28, 1994 at 6:00 p.m. at the Boston Marriott, Copley Place, Salon E.

Hecker attended Case Western Reserve University, where he received BS, MS, and PhD degrees in metallurgy, then spent two years as a postdoctoral appointee at Los Alamos. He began his professional career in 1970 as a senior research

metallurgist with General Motors Research Laboratories. He joined Los Alamos in 1973 as a technical staff member, Physical Metallurgy Group, then served as chairman, Center for Materials Science, and division leader, Materials Science and Technology Division, before becoming director.

Hecker is a member of the National Academy of Engineering, a Fellow of the American Society for Metals, an Honorary Member of the American Ceramic Society, and the recipient of numerous awards, including the 1990 James O. Douglas Gold Medal Award, the 1989 Kent Van Horn Distinguished Alumnus Award from Case Western Reserve, and a *Science Digest* 1985 Top 100 Innovations Award. He belongs to the Coalition to Increase Minority Degrees and serves on the Board of Regents, University of New Mexico; the Governor's Technical Excellence Committee, State of New Mexico; the boards of directors of Rio Grande Technology Foundation and New Mexico Technet, Inc.; and the Board of Advisors, Santa Fe Institute. His memberships in honorary organizations include Tau Beta Pi Honorary Engineering Fraternity, Alpha Sigma Mu Honorary Metallurgical Fraternity, and the Society of Sigma Yi. [MRS](#)

Join the MRS Corporate Participation Program Today:

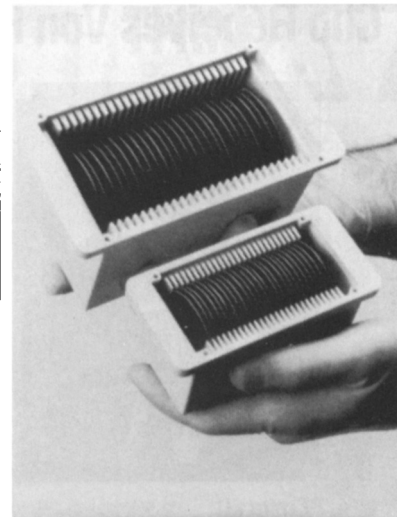

MRS Corporate Affiliate Benefits:

- Corporate Profile in the MRS Membership Directory.
- A free subscription to the MRS Bulletin, the Society's monthly news magazine.
- Recognition of support in all promotional materials for MRS Spring and Fall Meetings.
- Advance notification of meeting programs and events.

MRS Corporate Affiliate Opportunities:

- Reduced booth rental rates at MRS Exhibits.
- Display of corporate literature free of charge at MRS Spring and Fall Meetings.
- Discounts on advertising in the MRS Bulletin.
- Purchasing MRS books and tapes at member prices.
- Subscription to Journal of Materials Research at member price.

SILICON WAFERS FOR RESEARCH!

2" and 3" Diameter Wafers

FOR YOUR NEEDS, SELECT FROM THESE OPTIONS:

- 10 or 25 wafer batch sizes
- 2" or 3" diameter (also 1" in some Cases)
- orientation cut on or off axis
- <100>, <111>, <110> standard, <211>, <221>, <311>, or <511> custom made
- many standard dopant options
- single or double side polished options
- thickness from as thin as 2-4 μ to as thick as 1"
- with or without oxide
- with or without epi

Cz crystal is grown in our Fredericksburg, Virginia facility...all wafer processing is controlled in our plant.

Your small quantity requirements are of interest to us - call or fax for \leq 3 week delivery.

"if we can't make it, you don't need it!"
