

FRANCISCAN INSTITUTE PUBLICATIONS

Saint Bonaventure College

Saint Bonaventure, New York

Volume One

THE TRACTATUS DE SUCCESSIVIS

attributed to

WILLIAM OCKHAM

Edited with a study on the life and works of Ockham

by Philotheus Boehner, O.F.M., Ph.D.

\$1.50 for subscribers to *Franciscan Studies*

This is the kind of work which all mediaevalists and students of philosophy will welcome and, perhaps, try to emulate. Modesty, care, precision, understanding and scholarly prudence are the virtues of the good editor; they are well illustrated here. The Franciscan Institute of Saint Bonaventure College is to be commended for the quality of its initial research publication.

Vernon J. Bourke in *The Modern Schoolman*

Volume Two

**TRACTATUS DE PRAEDESTINATIONE
ET DE PRAESCIENTIA DEI ET DE
FUTURIS CONTINGENTIBUS**

of

WILLIAM OCKHAM

*Edited with study on the Mediaeval problem
of three-valued logic*

by Philotheus Boehner, O.F.M., Ph.D.

This authentic treatise of Ockham throws light on the origin of the so-called Thomistic opinion in regard to God's knowledge of future contingent facts. A careful analysis of the logic of this tract reveals the Mediaeval logic in some of its excellence and modernity. Further text editions from Ockham and other scholastics of the fourteenth century illustrate the discussion.

Volume Three

**THE TRANSCENDENTALS AND THEIR
FUNCTIONS IN THE METAPHYSICS
OF SCOTUS**

by Allan Wolter, O.F.M., Ph.D.

An important contribution to the Metaphysics of Duns Scotus, analyzing the various types of Transcendental Notions, and pointing out the significance of the ingenious system of Metaphysics conceived by the *DOCTOR SUBTILIS*.

Dept. 4-925
