

BIOGEN IS PLEASED TO ANNOUNCE

AVONEXTM

(Interferon beta-1a)

is now available in Canada.

At Biogen Canada, we are committed to helping minimize the devastating effects of diseases like multiple sclerosis. As a recognized leader in the field of MS research and treatment, our ongoing mandate is to develop new therapies such as AVONEXTM (Interferon beta-1a). We do this while never losing sight of our commitment to being a full service, patient-oriented company. At Biogen, our mission is simple: we're committed to finding solutions today, to help maintain lifestyles for tomorrow. And that's our promise.
