

“Lincoln’s Legacy includes essays by four renowned scholars of Lincoln and the Civil War. The essays are each outstanding in their own right and offer fresh new perspectives on Lincoln’s leadership, the role of patronage and spoils, Lincoln’s ideas on democracy, and the role of freedom of speech and the judiciary in the Civil War.”—Ronald C. White Jr., author of *The Eloquent President: A Portrait of Lincoln Through His Words*

“Readers who may be wary of books about Lincoln’s ‘legacy,’ which often feature an overdose of apologetics and adulation, will be agreeably surprised and much enlightened by these authoritative and highly readable essays.”—Douglas L. Wilson, codirector of the Lincoln Studies Center, Knox College, and author of *Lincoln’s Sword: The Presidency and the Power of Words*

William Miller, Mark E. Neely Jr., Phillip Shaw Paludan, and Mark Summers describe major ethical problems that the sixteenth president navigated, highlighting his enduring importance in contemporary conversations about law, politics, and democracy.

American Blacklist

The Attorney General's List of Subversive Organizations

Robert Justin Goldstein

"The definitive history of one of the most important mechanisms for political censorship ever devised in American history. The story of the blacklist, never told before because until now its operation was shrouded in secrecy, is a cautionary one for our times, and should be read by all who care about preserving the liberties that characterize our nation at its best."—David Cole, author of *Enemy Aliens: Double Standards and Constitutional Freedoms in the War on Terrorism*

388 pages, Cloth \$34.95

The Constitution and 9/11

Recurring Threats to America's Freedoms

Louis Fisher

"Provides a comprehensive, striking, and disturbing analysis of executive misuse of power that is made all the more compelling by placing it in a rich and fascinating historical context. No better book is available for placing post-9/11 government actions in the matrix of history and explaining how executive power has degraded the Constitution and citizen rights."—William G. Weaver, coauthor of *Presidential Secrecy and the Law*

408 pages, Cloth \$45.00, Paper \$19.95

Queen's Court

Judicial Power in the Rehnquist Era

Nancy Maveety

"An excellent and incisive account of how Sandra Day O'Connor became the least predictable and most influential judge on the Rehnquist Court."—Judith A. Baer, author of *Our Lives before the Law*

200 pages, Cloth \$29.95

Bush v. Gore

Exposing the Hidden Crisis in American Democracy

Charles L. Zelden

“A smart, judicious analysis that stands as the seminal study of the 2000 U.S. presidential election and its contested results.”—**Douglas Brinkley**, author of *The Great Deluge: Hurricane Katrina, New Orleans, and the Mississippi Gulf Coast*

“A superior achievement. Zelden writes clearly and precisely, laying the issues out patiently and thereby presenting a convincing account of such matters as overvotes and undervotes and dimpled and hanging chads. While it’s clear that he finds aspects of the Court’s decision disappointing or unconvincing, he doesn’t have a large axe to grind, which is what makes his critique so persuasive.”

—**James T. Patterson**, Bancroft Prize winner and author of *Restless Giant: The United States from Watergate to Bush v. Gore*

416 pages, Cloth \$34.95

Landmark Law Cases and American Society

Peter Charles Hoffer and N.E.H. Hull, series editors

One Man Out

Curt Flood versus Baseball

Robert M. Goldman

“Goldman’s readable and insightful book makes a significant contribution to the literature about baseball and the law. Curt Flood was a great hero in the struggle for players’ rights, and Goldman paints a nuanced portrait of the man and his cause. His delightful tour of our national pastime moves along with suspense, even though we know the eventual outcome.”—**Roger I. Abrams**, author of *Legal Bases: Baseball and the Law*

184 pages, Cloth \$35.00, Paper \$16.95

Landmark Law Cases and American Society

Peter Charles Hoffer and N.E.H. Hull, series editors

The Treason Trials of Aaron Burr

Peter Charles Hoffer

“Hoffer offers a lively retelling of this famous criminal trial, spiced by his bold and original judgments. He shows why Burr’s case still matters today.”

—Charles F. Hobson, author of *The Great Chief Justice: John Marshall and the Rule of Law* and coeditor of *The Papers of John Marshall*

224 pages, Cloth \$35.00, Paper \$16.95

The Miracle Case Film Censorship and the Supreme Court

Laura Wittern-Keller and Raymond J. Haberski Jr.

“An important milestone in the history of America’s ‘cultural wars,’ the Supreme Court’s 1952 decision in *Burstyn v. Wilson* deserves to be told in greater detail than previously provided by general histories of film censorship. Thanks to Wittern-Keller and Haberski that has now been accomplished.”

—Gregory D. Black, author of *Hollywood Censored: Morality Codes, Catholics, and the Movies*

256 pages, Cloth \$35.00, Paper \$16.95

The Zoning of America *Euclid v. Ambler*

Michael Allan Wolf

“After 80 years, *Euclid v. Ambler* is still the case that defines American land use jurisprudence. Wolf tells a great story, brilliantly showing the intersection of law, politics, and culture.”

—Lance Liebman, William S. Beinecke Professor of Law, Columbia University
