THE RHODES-LIVINGSTONE INSTITUTE, LIVINGSTONE

investigates the social and psychological
problems of man in British Central Africa

The Institute publishes—

- (1) *The Rhodes-Livingstone Papers* (to date Nos. 1-10), which are general sociological analyses.
- (2) *Communications of the Rhodes-Livingstone Institute*, in which material which is too detailed to appear in series (1), but which is of scientific and local value, is recorded.
- (3) *The Rhodes-Livingstone Museum Occasional Papers*, which deal with the ethnological, historical, technological, and archaeological collections in the Rhodes-Livingstone Museum.
- (4) *The Journal of the Rhodes-Livingstone Institute*, in which man's problems in Central Africa, and what is known about them, what research is being done and needs to be done on them, and how they are being faced, are set out simply but with scientific accuracy.

Members, who receive all publications and may use the library, pay an annual subscription of 10s. a year.
