#### PROPOSED HOSPITAL FOR THE INSANE IN LONDON.

Since the Occasional Notes of the Quarter were written, the London County Council has discussed (March 11th) the report of the Special Committee, proposed for adoption by Mr. Brudenell Carter, and declined the proposal, but referred it to the Asylums Committee.

The amendment was moved by Dr. COOPER:—"That the consideration of the report be adjourned for six months, and that it be referred to the Asylums Committee for consideration and report."

Dr. BOTT seconded the amendment, and contended that there was universal dissatisfaction felt by medical men at the manner in which the Committee had selected their witnesses.

Mr. AUSTIN urged the absolute necessity of the proposed hospital.

Mr. PARKER YOUNG said the important question of the locality of the hospital had not been discussed.

Mr. CARR-GOMM spoke generally in support of the recommendations.

Mr. MARTINEAU stated that the written communications of 55 superintendents were on the whole favourable to the scheme.

Mr. BRUDENELL CARTER, in reply, said that the report of the Committee would not be forwarded by being referred to the Asylums Committee.

The amendment was submitted and carried, and afterwards agreed to as a substantive resolution.
