

X Y Z CLUB – London Zoo and Whipsnade Park

The Zoological Society of London invites children between the ages of 9 and 18 to join the Young Zoologists' Club.

CLUB MEMBERSHIP

The XYZ (Exceptional Young Zoologists) Club has been started for all young people who are interested in the Zoo, in natural history, and in animals generally.

A WIDE RANGE OF ZOOLOGICAL TOPICS

The Club, based on the London Zoo and Whipsnade, is designed to provide young zoologists with up-to-date information on the Zoos and, by means of free admission tickets, to help them to get to know our Zoos and the animals that live there really well.

But equally important, by means of lectures, films, and articles in the Club Magazine, they will be provided with information about a very wide range of zoological topics—wild life observation, general natural history and reviews of books and films that have a zoological interest.

FREE ADMISSION TICKETS

Entrance to the Club entitles all members to three free admission tickets each year to the London Zoo or Whipsnade Park, a Club Magazine published three times a year and a handsome Club badge.

There are regular competitions, meetings addressed by well-known animal experts, film shows and field trips.

The Annual Subscription is 10s. and there are reduced rates for group and school membership. Details can be obtained on application to the Secretary of the Club, at the London Zoo, Regent's Park, N.W. 1.

Wild Life Films

The FPS Film Library consists of the following 16 mm. films and one 35 mm. film strip, all coloured unless otherwise stated. **They may be borrowed free by members and others, but from August 1st there is a handling charge of £1 to cover the cost of postage, packing and repairs.** Films new in 1964 marked *.
