

Stroke Prevention Clinic
1 day / week
Brockville General Hospital

In conjunction with the **Stroke Network of Eastern Ontario**, Brockville General Hospital hosts one of four stroke prevention clinics in eastern Ontario.

- provides streamlined access to diagnostic testing, optimal medical and surgical management and counseling in lifestyle change to reduce stroke-risk for those at highest risk of stroke.
- provides an integrated, comprehensive, inter-disciplinary approach to stroke prevention and case management for these high-risk patients.
- facilitates planning and implementation of primary and secondary stroke prevention strategies for the respective area of the region.
- works in partnership with primary care, acute care, stroke rehabilitation, community care access centres and other stake-holders in planning regional stroke prevention strategies.
- Dedicated stroke prevention nurse coordinator
- Fee for Service remuneration
- Office and full administrative support provided

Qualifications

- Royal College certification in Internal Medicine or Neurology
