 THE TWJ FOUNDATION

THE Trustees of the TWJ Foundation wish to announce that TWJ Otological Travelling Fellowships for 1982 have been awarded as follows:

Research Fellowship for six months at the Coleman Institute, San Francisco

Mr D. Aird FRCS,  
Senior Registrar in Otolaryngology,  
The University Hospital of Wales.

Clinical and Research Fellowship for twelve months at Toronto.

Mr D. W. Proops BDS FRCS,  
Senior Registrar in Otolaryngology,  
Queen Elizabeth Hospital, Birmingham

Clinical and Research Fellowship for six months at Ann Arbor, Michigan.

Mr R. M. D. Tranter FDS, FRCS,  
Senior Registrar in Otolaryngology,  
Queen Elizabeth Hospital, Birmingham.

The Trustees would like to acknowledge publicly their gratitude to the many consultants who have given so much time and taken so much trouble in acting as referees for applicants. Without their help selection would have been impossible.

TEMPORAL BONE SURGICAL DISSECTION COURSES  
OFFERED BY  
THE DEPARTMENT OF OTORHINOLARYNGOLOGY  
THE UNIVERSITY OF MICHIGAN MEDICAL SCHOOL, ANN ARBOR, MICHIGAN  
MALCOLM D. GRAHAM, M.D.—COURSE DIRECTOR

20–24 SEPTEMBER 1982

8–12 NOVEMBER 1982

10–14 JANUARY 1983

THESE Courses will be given in the new Temporal Bone Surgical Dissection Laboratory of the Department of Otorhinolaryngology and the Kresge Hearing Research Institute of the University of Michigan.

These intensive one week courses will emphasize the surgical and anatomical approaches to the temporal bone and will be presented in a manner relevant for the otologic surgeon, utilizing lectures and videotape presentations of surgical techniques, as well as temporal bone dissection.

Both mornings and afternoons will be spent in the dissection laboratory, thereby giving extensive drilling experience in both temporal bone anatomy and surgical techniques. Lectures and demonstrations will be provided by members of the faculty of the Department of Otorhinolaryngology and Kresge Hearing Research Institute, *thereby uniquely blending basic science and clinical otologic instruction. Drill handpieces and dissection instruments will be provided.*

The fee for these courses will be \$1,000.00 for each physician.

For further information, contact: Malcolm D. Graham, M.D.,  
Department of Otorhinolaryngology,  
Kresge Hearing Research Institute,  
University of Michigan Medical Center,  
Ann Arbor, MI 48109, U.S.A.

THE THIRD GUY'S HEAD AND NECK COURSE 1982

THE Third Head and Neck Surgical Course will be held at Guy's Hospital starting Monday 12th July 1982 for a period of five days. The course will include lectures, videotapes and cadaver dissections to cover a wide variety of surgical topics related to the head and neck. Surgery of the salivary glands, the larynx, the thyroid, the oral cavity and the maxilla will be covered together with radical neck dissection and an introduction to laser surgery.

Places are available for 12 applicants and there will be a guest lecturer for one session of the course. The course fee is £150 to be paid to Guy's Hospital Medical School and sent to Mr. O. H. Shaheen, M.S., F.R.C.S., E.N.T. Department, Guy's Hospital, London.

THE SIXTH BRITISH ACADEMIC CONFERENCE IN  
OTORHINOLARYNGOLOGY, BRISTOL

JULY 25–29, 1983

AT THE UNIVERSITY OF BRISTOL (UNITED KINGDOM)

Distinguished international contributors will assess modern developments at formal lectures and panel discussions which include:

1. Otolological quiz.
2. Laryngological quiz.
3. Larynx-reconstructive techniques following laryngectomy.
4. Iatrogenic problems in otology. Ototoxic drugs. Surgical trauma.
5. Controversies in Rhinolaryngology.  
Floor of mouth tumours. Angiofibroma.  
Conservative v. Radical neck dissection.  
Septoplasty v. SMR.
6. Controversies in Otology.  
Bell's Palsy. Footplate and stapedectomy. Cochlear otosclerosis. Menières disease. Combined approach tympanoplasty.

Daily instructional sessions in small seminar groups, again led by international contributors, with wide ranging discussion on all aspects of otolaryngology.

Daily audio-visual programme.

Scientific Trade Exhibition.

A full social programme arranged.

Enrolment fee—Members: £170

Those interested should apply to:

John Schofield Esq., F.R.C.S. Warneford Hospital, Radford Road, Leamington Spa, Warwickshire, England, CV31 1LU.

ROYAL COLLEGE OF SURGEONS OF ENGLAND

LIONEL COLLEDGE MEMORIAL FELLOWSHIP IN OTOLARYNGOLOGY

THE next award or awards of the above Fellowship will be made for the year commencing 1 July 1982. The maximum award to any one Fellow will be £2,500.

The following conditions are laid down by the Trust:

1. Applicants must be United Kingdom born Fellows of the Royal College of Surgeons of England aged between 25 and 35 years at the closing date for receipt of applications who are senior trainees or recently appointed consultants, or of similar status, in otolaryngology.
2. The subject of the award is head and neck surgery with an emphasis on laryngology.
3. The Fellowship is tenable for a period of study or research in the Continent of North America.

Applications for the award or awards for 1982–83 must reach the Deputy

Secretary of the Royal College of Surgeons of England, 35/43 Lincoln's Inn Fields, London WC2A 3PN not later than 30 April 1982, and must include the following:

- (a) Name, qualifications and brief curriculum vitae, including present appointment;
- (b) Proposals for the tour or visit to be made during the tenure of the Fellowship;
- (c) Letters of Support from the applicant's present consultant (or, if already a consultant, the name of an independent referee in the United Kingdom) and the head(s) of the department(s) to be visited;
- (d) A statement of the expenses to be incurred and of available financial resources.

Short-listed applicants may be required to attend for interview in London, in which case necessary travelling expenses will be reimbursed.

R. S. Johnson-Gilbert, OBE, MA,  
Secretary,  
Royal College of Surgeons of England.
