The JOURNAL and the BULLETIN are the official organs of the Association for Symbolic Logic, an international organization for furthering research in symbolic logic and exchange of ideas among mathematicians, philosophers, and others interested in this field.

Individual membership in the Association is open to anyone interested in its work. Annual dues for members are \$56, or \$28 for students, and they include subscriptions to the current volumes of the JOURNAL and the BULLETIN.

Institutional membership in the Association is available to any academic institution or department. Annual institutional dues are \$475 for 1998. Membership privileges include choices of current subscriptions, of back volumes, and of student memberships.

Articles being submitted for publication in the JOURNAL should be sent in duplicate to one (and only one) of the following editors: *Neil Immerman, Department of Computer Science, University of Massachusetts, Amherst, MA 01003, U.S.A.*; or *Richard Kaye, School of Mathematics and Statistics, University of Birmingham, Edgbaston, Birmingham B15 2TT, England*; or *Steffen Lempp, Department of Mathematics, University of Wisconsin, Madison, WI 53706, U.S.A.*; or *David Marker, Department of Mathematics, m/c 249, University of Illinois at Chicago, 851 S. Morgan Street, Chicago, IL 60607, U.S.A.*; or *William J.
