

MOST UNCOMMON JACKSONIANS

THE RADICAL LEADERS OF THE LABOR MOVEMENT

Now in paperback

by Edward Pessen

WHAT THE CRITICS HAVE SAID:

'This is a valuable book, suggestive and informative. Well researched and documented, it is an important addition not only to the Jacksonian era but also to the history of American labor and social thought.'

Robert V. Remini, *The Journal of American History*

'He draws an interesting series of portraits of agitators, journalists, and laborites who became conspicuous in the era. His book reads well in a field confined to a relatively few academic specialists only moderately concerned with presentation. Scholars should find Mr Pessen's judicious phrasings enlightening, and even reassuring. As he says about their predecessors, "they loved stability, even as they talked up turbulence".'

Louis Filler, *Pennsylvania Magazine of History and Biography*

'Pessen's quotations from original sources and fine vignettes of the personalities involved succeed in shaking dust off history and in giving this segment of it considerable appeal to modern readers.'

Alden Whitman, *The New York Times*

'His discussion is always provocative. Pessen's account is more than a useful summary of the careers and influence of the more prominent Jacksonian labor leaders. He breaks new ground in his analysis of their social philosophies.'

Walter Hugins, *Canadian Journal of History*

The Revolution in America 1754-1788

**Documents on the Internal Development
of America in the Revolutionary Era**

EDITED BY J. R. POLE

This new selection of documents relating to the American Revolution offers students the materials for determining whether the separation from British rule was also accompanied by an internal revolution. Instead of concentrating on the issues of the Colonies versus Britain, the editor has chosen sources which illustrate domestic American problems and changes in all the more important aspects of political, economic, social and intellectual life.

Contemporary American Philosophy

Edited by J. E. SMITH

Second series

Fourteen essays by American philosophers; presenting a cross-section of philosophical thinking in America at present. An effort has been made to show how rich and varied a philosophical diet is available. Naturalism and Idealism, personalism and pragmatism, analysis and speculative philosophy are all represented.

American Literature*Essays and Opinion***Cesare Pavese***Translated with an Introduction by Edwin Fussell*

Cesare Pavese (1908–1950), the leading Italian Americanist of his generation, was not only a sensitive poet and novelist but also an acute and wide-ranging literary critic. This translation of his collected essays on American authors gives a new perspective on such diverse figures as Sinclair Lewis, Sherwood Anderson, Edgar Lee Masters, Melville, O. Henry, Dos Passos, Dreiser, Whitman, Faulkner, Gertrude Stein, F. O. Matthiessen, and Richard Wright.

'Every element of this study is to be commended: the design of the argument, the evidence to support it, the lucidity of the writing, and the tone of impersonal historical investigation. It is what books are for. It provides instruction and entertainment of the best order.'—Thomas Lask, *The New York Times*

Now available in paperback***American Piety****The Nature of Religious Commitment***Rodney Stark and Charles Y. Glock**

Based on extensive surveys, this book reveals just how religious Americans are these days, in their beliefs, practices, knowledge, and feelings. These facts are presented denomination by denomination for the major Christian churches, and the contrasts are startling. Also surprising are the authors' conclusions about the future of the churches. This is the first in a three-volume study which 'will constitute the most impressive and exhaustive body of empirical material on American religious behavior yet to be compiled.'—*American Journal of Sociology*. 'A major addition to our knowledge of religion in America.'—*Encounter*

Now available in paperback***The Mysterious Stranger by Mark Twain****Edited by William M. Gibson*

Six years after Mark Twain's death, Albert Bigelow Paine, the author's literary executor, brought out a bowdlerized version of *The Mysterious Stranger*, patched together from three unfinished manuscripts. The Gibson volume presents those manuscripts for the first time exactly as Mark Twain wrote them.

BRITISH ASSOCIATION FOR AMERICAN STUDIES

This Association was founded in 1955 to promote the study of the United States within the United Kingdom. It welcomes applications for membership from people interested in the history, society, government and politics, economics, geography, literature and thought of the United States. It publishes a *Newsletter* twice yearly, holds an Annual Conference, and provides other services for its members from time to time. Enquiries concerning current subscription rates and applications for membership should be addressed to the Secretary, Dr Charlotte Erickson, London School of Economics, Houghton Street, Aldwych, London, W.C. 2.

NOTES FOR CONTRIBUTORS

All contributions and editorial correspondence should be sent to the Editor, *Journal of American Studies*, Department of American Studies, The University, Manchester M13 9PL. Submission of an article is taken to imply that it has not previously been published, or is not being considered for publication elsewhere. Articles should generally contain about 5000 words, although longer articles may be submitted by agreement with the Editor. Contributors need not be members of the British Association for American Studies.

Contributions should be clearly typed in double spacing, preferably on quarto paper. Wide left-hand margins should be provided. Diagrams and maps may be included by arrangement with the Editor.

The rule about double-spacing applies also to footnotes. These should be inserted for the following purposes only:

- (i) to give references for direct quotations used in the text;
- (ii) to give references to the main authorities on disputable questions; and
- (iii) to give evidence relied on by the contributor for any new or unusual conclusions.

General notes intended for the Editor and printer should be attached on a separate sheet. Contributors should keep one copy of the typescript for use in correcting proofs.

First proofs may be read and corrected by contributors provided that they can give the Editor an address through which they can be reached without delay and can guarantee to return the corrected proofs to the Editor, by airmail where appropriate, within ten days of receiving them. The master proof will always be sent direct to the Editor by the printer; contributors will receive duplicates.

Contributors of articles and review articles receive 25 free separates. Extra copies may be bought according to an agreed scale of charges.
