

Announcing Sign/Text/Culture: Studies in Slavic and Comparative Semiotics...

Image and Concept Mythopoetic Roots of Literature

Olga Freidenberg

Edited by Vyacheslav Ivanov

University of California, Los Angeles, USA

Olga Freidenberg, primarily known to Western readers as Boris Pasternak's cousin, correspondent and confidante, was, in her own right, an author and scholar of great accomplishments. *Image and Concept* — here for the first time available in English — is Freidenberg's study of the origins of Greek tragedy.

The Fallacy of the Silver Age in Twentieth- Century Russian Literature

Omry Ronen, *University of Michigan, USA*

In this highly original study, Omry Ronen critically examines the term "Silver Age," which over the years has gained such wide currency among historians and connoisseurs of 20th century Russian culture. The author traces the origin and the controversial development of what he condemns as an influential misnomer.

Russian Literature and the Classics

Edited by Peter I. Barta, *University of Surrey, UK*

David H.J. Larmour, and Paul Allen Miller

Texas Tech University, USA

"Relatively little scholarship on the influence of the classical world on Russian literature has appeared in English. Consequently, this diverse collection of essays is especially welcome...[and] should be acquired by all research libraries supporting major programs in Russian, classics, and comparative literature."

Time and Revolution

Marxism and the Design of Soviet Institutions

Stephen E. Hanson

"Tackles the very difficult issue of nexus of ideology, philosophy, and history. . . . The book's scholarship and intellectual depth is further enhanced by his attention to often-overlooked Bolshevik thinkers such as Georgii Zinoviev and even Stalin."

—Ilya Prizel, Johns Hopkins University

PRINCETON

The Agony of the Russian Idea

Tim McDaniel

In a fascinating account for anyone interested in Russia's current political struggles, Tim McDaniel explores the inability of all its leaders over the last two centuries—tsars and Communist rulers alike—to create the foundations of a viable modern society. The problem then and now, he argues, is rooted in a unique sense of destiny embodied by the "Russian idea"—the belief that Russia can forge a path in the modern world that sets it apart from the West through adherence to shared beliefs, community, and equality. These cultural values, according to McDaniel, have mainly reversed the values of Western society rather than having provided a real alternative to them.

"A brilliant and thought-provoking essay on the failure of the Soviet Union."—Abbott Gleason, Brown University
Cloth: \$24.95 ISBN 0-691-02786-2

Stalinist Science

Nikolai Kremmentsov

Some scholars have viewed the Soviet state and science as two monolithic entities—with bureaucrats as oppressors, and scientists as defenders of intellectual autonomy. Based on previously unknown archival documents, *Stalinist Science* shows that this picture is oversimplified. In fact, a symbiosis of state bureaucrats and scientists established a much more terrifying system of control over the scientific community than any critic of Soviet totalitarianism had feared.

Some scientists, though, developed more elaborate devices to avoid and exploit this control system than any advocate of academic freedom could have reasonably hoped. Nikolai Kremmentsov provides an in-depth look at the collision between Soviet science and the Soviet state.

PAPERBACKS

Winner of the Antonovych Prize sponsored by the
Omelan and Tatiana Antonovych Foundation for an exceptional
work on the history of the Ukraine

Kiev

A Portrait, 1800–1917

Michael E. Hamm

In a fascinating “urban biography,” Michael Hamm tells the story of one of Europe’s most diverse cities and its distinctive mix of Ukrainian, Polish, Russian, and Jewish inhabitants. The first historian to analyze how each of Kiev’s ethnic groups contributed to the vitality of the city’s culture, he also examines the violent conflicts that developed among them.

“Compelling reading. . . . Hamm’s study of Kiev is a finely honed work. It conveys . . . a sense of place, a feel for a city undergoing rapid, often profoundly unsettling change.”—James H. Bater, *Russian Review*

Paper: \$16.95 ISBN 0-691-02585-1

Democracy from Scratch

Opposition and Regime in the New Russian Revolution

M. Steven Fish

“A theoretically sophisticated, original and convincing account of the emergence of the democratic opposition in the Gorbachev period and after, and of the reasons for its continuing weakness. It also contains insight on many other significant features of contemporary Russian politics. . . . Overall, *Democracy from Scratch* is one of the most important contributions to the political science of the new Russia yet published. It . . . should be essential reading for students of contemporary Russian politics.”—Matthew Wyman, *Europe-Asia Studies*

THE BEST FROM CAMBRIDGE

'By the Banks of the Neva'

Chapters from the Lives and Careers of the British in Eighteenth-Century Russia
Anthony Cross

This attractively-illustrated book offers a unique and fascinating investigation into the lives and careers of the British in eighteenth-century Russia and, more specifically, into the development of a vibrant British community in St. Petersburg during the city's first century of existence. It is based on an extremely wide use of primary sources from Britain and Russia.

55293-1 Hardback \$80.00

The Rebirth of Politics in Russia

Michael Urban
With Vyacheslav Igrunov and Sergei Mitrokhin

How was it that after seventy years of communist dictatorship, political life returned to Russia? This book addresses that question by focusing on the individuals, groups and movements that brought this about, their struggles against the Soviet regime, and the ways in which these struggles shaped Russia's political rebirth. It is richly informed by the observations and interpretations of participants and close observers, and traces the process through the communist past and the revolution of 1991, to the political system of today.

56248-1 Hardback \$64.95
56611-8 Paperback \$24.95

Ukrainian Nationalism in the 1990s

A Minority Faith
Andrew Wilson

This work examines the impact of nationalism on the politics of Ukraine, arguably the most important of the non-Russian States to emerge from the collapse of the USSR in 1991. To date Ukraine has managed to steer clear of the kind of aggressive ethno-nationalism that has destabilized politics elsewhere in the region. However, an increasingly vocal and frustrated minority may become increasingly influential if the economic and/or security situation in the region rapidly deteriorates.

48285-2 Hardback \$59.95
57457-9 Paperback \$19.95

Nationalism Reframed

Nationhood and the National Question in the New Europe
Rogers Brubaker

"Wedding surgical empirical precision with uncanny analytical perspicacity, geographical scope with historical depth, this book is a theoretical breakthrough and clears a new terrain for a reflexive sociology of the ongoing fabrication of everything we subsume under the falsely self-evident name of 'nation.'"

—*Pierre Bourdieu,*

Ecole des Hautes Etudes en Sciences Sociales

Using Russian

A Guide to Contemporary Usage
Derek Offord

Unlike conventional grammars, this new, easy-to-follow guide to Russian usage pays special attention to those areas of vocabulary and grammar that cause the most difficulty for English-speakers. It has been developed for those who have acquired the basics of the language and wish to extend their knowledge.

45130-2 Hardback \$64.95
45760-2 Paperback \$24.95

Civil War in Siberia

The Anti-Bolshevik Government of Admiral Kolchak, 1918–1920
Jonathan D. Smele

The Russian Civil War of 1917–1921 was a pivotal event in modern history. It was the Bolshevik victory in this bloody struggle, not the fighting in the streets of Petrograd and Moscow in October 1917, that secured the victory of Soviet Communism. This book traces the clash between the "Reds" and the "Whites," the counter-revolutionary governments established around the periphery of Russia and aided by the Allies.

THE HUNDRED THOUSAND FOOLS OF GOD
Musical Travels in Central Asia (and Queens, New York)

Tohtaxán with her troupe of Sázadas, 1957. Photo from *The Hundred Thousand Fools of God*.

Theodore Levin

"This is an extraordinary book . . . combines music with social and cultural history in a highly distinctive, intensely humanistic manner." —Mark Slobin, co-author of *Worlds of Music*

"Ted Levin's unique experience of living in Central Asia over many years has culminated in a remarkable work of interest to anthropologists, folklorists, musicologists, and armchair travelers interested in Central Asia. A profound and fascinating book." —Richard N. Frye

Narrated as a travelogue, this book is organized around the author's encounters with musicians in Tashkent, Bukhara, Khorezm, Uzbekistan and Tajikistan—and Queens, New York, where many Bukharan Jewish musicians have emigrated. This delightful book is accompanied by a 74-minute CD featuring 24 on-site recordings.

S.M. EISENSTEIN WRITINGS 1934-47

Selected Works Volume III

Edited by Richard Taylor

In 1934-47, Eisenstein's filmmaking ran into many difficulties: an increasingly restricted definition of socialist realism, the purges, the Second World War, and postwar cultural orthodoxy. These writings show Eisenstein's reaction to this hostile environment—as filmmaker, theorist, and teacher.

TO THOSE WISHING TO SUBMIT MANUSCRIPTS

Manuscripts for consideration should be submitted by post or courier in four double-spaced typed copies. (If computer-generated, they should be letter quality or near letter quality. Continuous form sheets must be separated.) Notes and block quotations should be double-spaced; notes should be placed at the end of the manuscript and not at the bottoms of pages. Library of Congress transliteration and the *Chicago Manual of Style* are to be followed. In general, articles should not exceed 35 typed pages 8½" by 11" in dimension—including endnotes. Accepted manuscripts will be copyedited electronically, and authors will be asked to submit final versions on computer diskette. Submissions will not be returned.

Manuscripts are sent to outside readers in anonymous form and should be prepared accordingly.

The policy of *Slavic Review* is not to consider materials that have been published or that are being considered for publication elsewhere.

The *Slavic Review* does not ordinarily accept unsolicited book reviews. Please consult us in advance of submitting an uninvited book review.

Slavic Review is the journal of the American Association for the Advancement of Slavic Studies, whose members support the journal through their dues. *Slavic Review* expects the authors of articles published in the journal to belong to the association.

Forthcoming in *Slavic Review*
