### **ISFE Prize 1995**

The International Foundation for the Promotion of Nutrition Research and Nutrition Education (ISFE), Switzerland, announces the ISFE Prize 1995 amounting to SFr. 15000.

#### ***Topic: The Effects of Food Processing on Nutritional Value***

The topic of the prize stands in close connection with the topic of the next ISFE Symposium 'Nutritional Consequences of New Technology in Food Preparation'. The symposium will be held in October 1995 in Budapest, Hungary.

The applications/nominations should be submitted in German or English and include an unpublished manuscript and/or reprints of relevant publications over the last five years, a brief statement concerning the significance of the contributions with reference to the topic for the prize, a short *curriculum vitae* and a list of important publications. The scientific data used for the manuscript/application should not be older than about five years.

Please address applications/nominations in quadruplicate to the President of the Foundation:

Professor Dr Dieter Hötzel, c/o Institut für Ernährungswissenschaft, Rhein. Friedrich-Wilhelms-Universität, Endenicher Allee 11-13, D-53115 Bonn, Germany.

***Deadline for submission: 30 January 1995***

The recipient of the prize will be honoured at the above mentioned symposium.
