Repairing human tooth enamel with leucine-rich amelogenin peptide–chitosan hydrogel – ERRATUM

Kaushik Mukherjee, Qichao Ruan, David Liberman, Shane N. White, and Janet Moradian-Oldak

doi: 10.1557/jmr.2016.64, Published by Materials Research Society with Cambridge University Press, 29 January 2016.

Following iron speciation in the early stages of magnetite magnetosome biomineralization – ERRATUM

Emre Firlar, Teresa Perez-Gonzalez, Agata Olszewska, Damien Faivre, and Tanya Prozorov

doi: 10.1556/jmr.2016.33, Published by Materials Research Society with Cambridge University Press, 26 February 2016.

Mukherjee et al.¹ and Firlar et al.² were improperly categorized as Reviews in their recent publications. They are both intended to be Biomineralization and Biomimetics **Articles**.

The authors and editors regret these errors.
