Modern Philology

Critical and Historical Studies
in Literature, Medieval through
Contemporary

*Sets the standard for literary
scholarship, history, and
criticism*

Modern Philology features contributions on literature in all modern world languages, including productive comparisons of texts and traditions from European and non-European literatures. Its wide editorial scope encompasses literary works, literary traditions, and literary criticism from roughly the time of Charlemagne to the present. *MP* also publishes insightful reviews of recent books as well as review articles and research on archival documents.

Audience

Scholars studying literary texts, literary history, comparative literature, and criticism.
