In our fourth issue we plan to publish articles on rights to historic wrecks and wreckage, the operation of the law of treasure trove and attribution and the claim to objectivity. The second of these articles will include an examination of new law reform proposals in England. In addition to our normal range of case-notes and Chronicles, we shall feature a report on the Museums and Galleries Act 1992. Contributors to the fourth issue will include Robert Paterson, Sarah Dromgoole, Nicholas Gaskell, John Murdoch and Caroline Forder.
