

Verging on reality

EDITED BY P. MCGORRY

-
- 1 Preventive strategies in early psychosis: verging on reality**
P. McGorry
-
- 3 Early detection and intervention of schizophrenia: rationale and research**
T. H. McGlashan
-
- 7 School teacher ratings predictive of psychiatric outcome 25 years later**
S.-C. S. Olin, S. A. Mednick, T. Cannon, B. Jacobsen, J. Parnas, F. Schulsinger and H. Schulsinger
-
- 14 Prediction of psychosis**
A. R. Yung, L. J. Phillips, P. D. McGorry, C. A. McFarlane, S. Francey, S. Harrigan, G. C. Patton and H. J. Jackson
-
- 21 Understanding the topography of the early psychosis pathways**
C. Lincoln, S. Harrigan and P. D. McGorry
-
- 26 Hillside study of risk and early detection in schizophrenia**
B. Cornblatt, M. Obuchowski, D. Schnur and J. D. O'Brien
-
- 33 Early intervention for schizophrenic disorders**
I. R. H. Falloon, J. H. Coverdale, T. M. Laidlaw, S. Merry, R. R. Kydd, P. Morosini and The OTP Collaborative Group
-
- 39 Home-oriented management programme for people with early psychosis**
P. Fitzgerald and J. Kulkarni
-
- 45 First-episode schizophrenia with long duration of untreated psychosis**
T. K. Larsen, J. O. Johannessen and S. Opjordsmoen
-
- 53 Early intervention in psychosis**
M. Birchwood, P. Todd and C. Jackson
-
- 60 Research and treatment strategies in first-episode psychoses**
M. S. Keshavan, N. R. Schooler, J. A. Sweeney, G. L. Haas and J. W. Pettegrew
-
- 66 Pharmacotherapy of first-episode schizophrenia**
G. Remington, S. Kapur and R. B. Zipursky
-
- 71 Analysis of the initial treatment phase in first-episode psychosis**
P. Power, K. Elkins, S. Adlard, C. Curry, P. McGorry and S. Harrigan
-
- 77 First-episode schizophrenia**
R. J. Wyatt, L. M. Damiani and I. D. Henter
-
- 84 Early intervention, untreated psychosis and the course of early schizophrenia**
D. Linszen, M. Lenior, L. de Haan, P. Dingemans and B. Gersons
-
- 90 Depression in people with first-episode schizophrenia**
D. Addington, J. Addington and S. Patten
-
- 93 Cognitively-oriented psychotherapy for early psychosis (COPE)**
H. Jackson, P. McGorry, J. Edwards, C. Hulbert, L. Henry, S. Francey, D. Maude, J. Cocks, P. Power, S. Harrigan and P. Dudgeon
-
- 101 Individual cognitive-behavioural interventions in early psychosis**
G. Haddock, A. P. Morrison, R. Hopkins, S. Lewis and N. Tarrier
-
- 107 Prolonged recovery in first-episode psychosis**
J. Edwards, D. Maude, P. D. McGorry, S. M. Harrigan and J. T. Cocks
-
- 117 Group programmes for recovery from early psychosis**
D. J. Albiston, S. M. Francey and S. M. Harrigan
-
- 122 Stress and coping in early psychosis**
E. M. Macdonald, S. Pica, S. McDonald, R. L. Hayes and A. J. Baglioni Jr
-
- 128 Emotional management therapy in early psychosis**
B. Hodel, H. D. Brenner, M. C. G. Merlo and J. F. Teuber
-
- 134 Effect of substance misuse in early psychosis**
