

Flight Simulation Conference

ROYAL
AERONAUTICAL
SOCIETY

2016 • CELEBRATING 150 YEARS

BENCHMARKING IN IMPROVING FLIGHT SIMULATION

LONDON / 13-14 JUNE 2017

This conference will ask the following questions: "How can we truly benchmark a simulator, given its intended role?" - "What is the true norm to which we must measure the device, whether it be the actual aircraft or a simulator standard?"

The call for papers are now open, please visit our website for more details.

www.aerosociety.com/events

Sponsorship and exhibition opportunities are available for this conference. To find out more please contact the Conference and Events Department on conference@aerosociety.com or call +44 (0)20 7670 4345

ISABE 2017 CONFERENCE

3 - 8 SEPTEMBER 2017
MANCHESTER, UK

(the city where The Honourable Charles Rolls met Sir Henry Royce)

Hosted by
UK Organising Committee &

Rolls-Royce

Co-Hosted by

Cranfield
UNIVERSITY

Supported by

MANCHESTER
CITY COUNCIL

Engineering

Books and Journals from
Cambridge University Press

Cambridge publishes a range of high-quality books and journals on the theory and practice of engineering, in communications, information theory, signal processing, networks, RF and microwave, circuits and devices, materials science and polymer research, applied photonics, thermal-fluids, mechanics, aerospace, and chemical engineering.

Submission of Manuscripts

All manuscripts should be submitted online at: <http://www.edmgr.com/aeroj>
Any enquiries should be directed to Wayne J Davis at aerjournal@aerosociety.com.
The current set of instructions for authors are available at: <http://journals.cambridge.org/AER>

Subscriptions

The Aeronautical Journal (ISSN 0001-9240) is published monthly in 12 issues each year.

Non-Members

The subscription price (excluding VAT) to *The Aeronautical Journal* for volume 121 (2017), which includes print and electronic access, is £551 (USA, Canada and Mexico US\$827) and includes delivery by air; single parts are available at £53 (USA, Canada and Mexico US\$79) plus postage. The electronic-only price available to institutional subscribers is £483 (USA, Canada and Mexico US\$725). EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country's rate. VAT registered subscribers should provide their VAT registration number. Orders, which must be accompanied by payment, may be sent to any bookseller or subscription agent or direct to the publishers: Cambridge University Press, UPH, Shaftesbury Road, Cambridge CB2 8BS, or in the USA, Canada, and Mexico to Cambridge University Press, Journals Fulfillment Department, 1 Liberty Plaza, Floor 20, New York, NY 10006, USA. Japanese Prices for institutions are available from Kinokuniya Company Ltd, P.O. Box 55, Chitose, Tokyo, Japan.

RAeS Members

The subscription price for RAeS members is £89 for Hardcopy and online access and £68 for online access only. Individual copies are £7.75. Orders are available from: Membership Department, Royal Aeronautical Society, No.4 Hamilton Place, London, W1J 7BQ, UK. Tel: +44 (0)20 7670 4304 or email: subscriptions@aerosociety.com

RAeS Conference Proceedings

Details, prices and availability of Royal Aeronautical Society Conference Proceedings can be obtained from: RAeS Conference and Events Department, No.4 Hamilton Place, London, W1J 7BQ, UK. Tel: +44 (0)20 7670 4345, email: conference@aerosociety.com or via www.aerosociety.com/events/catch-up-on-events/conference-proceedings

Advertising

All advertising enquiries should be sent to Simon Levy, simon.levy@aerosociety.com

Internet Access

The Aeronautical Journal is included in the Cambridge Journals Online service and can be found at: <http://journals.cambridge.org/AER>.

The Aeronautical Journal now supports open access publications across its hardcopy and online platforms, and accepts papers to consider for publication under both the 'green' and 'gold' open access options.

Information contained within *The Aeronautical Journal* has been published in good faith and the opinions expressed do not represent those of the Royal Aeronautical Society.

The Royal Aeronautical Society is a registered charity: No 313708

CONTENTS

Volume 121 Number 1240

June 2017

Orhan Ertugrul Guclu and Cem Cetek

Analysis of aircraft ground traffic flow and gate utilisation using a hybrid dynamic gate and taxiway assignment algorithm 721

E. R. Gowree and C. J. Atkin

Measurement and modelling of the turbulent boundary layer near the attachment line of a swept wing 746

T. Uppal, S. Raha and S. Srivastava

Trajectory feasibility evaluation using path prescribed control of unmanned aerial vehicle in differential algebraic equations framework 770

Y. W. YAN, Y. P. Liu and Y. C. Liu

Experimental and computational investigations of flow dynamics in LPP combustor 790

J. Steimes and P. Hendrick

Dimensional analysis of an integrated pump and de-aerator solution in more electric aero engine oil systems 803

B. G. Hong, B. R. Kang, J.C.Choi and P. Y. Oh

Characteristics of a plasma wind tunnel for the development of thermal protection materials 821

R. MacNeill and D. Verstraete

Blade element momentum theory extended to model low Reynolds number propeller performance 835

F. Afonso, J. Vale, É. Oliveira, F. Lau and A. Suleman

Non-linear aeroelastic response of high aspect-ratio wings in the frequency domain 858

Front Cover: The evening view from Heathrow Airport's air traffic control tower. (National Air Traffic Services)
