## 2011 Canadian Examinations

### Electroencephalography (EEG)

### Electromyography (EMG)

To assure and maintain a high standard of competence in clinical electroencephalography and electromyography across Canada, the Canadian Society of Clinical Neurophysiologists (CSCN) conducts an annual examination in EEG and EMG and related subjects for those eligible physicians entering EEG or EMG practice who elect to take it. Successful candidates will be given a certificate by the CSCN and will automatically be eligible for Active membership in the Society. The Provincial Licensing Bodies and the Royal College of Physicians and Surgeons of Canada have been informed of this examination and of the objective of the CSCN to maintain high standards in the practice of Clinical Neurophysiology in Canada.
