

CALL FOR MANUSCRIPTS
Special *Journal of Asian Studies* issue on
**Dimensions of Ethnic and Cultural
Nationalism in Asia**

Deadline: December 15, 1992

Editor's Note

To further publication of cross-disciplinary and cross-regional studies in the *Journal of Asian Studies*, the editors will devote the November 1993 issue to articles about ethnic or cultural nationalism in Asia.

The editors welcome submissions from all scholars in Asian Studies on this general topic. From the submissions, we will select four to six articles for this special issue. Any perspective on or interpretative approach to the question is welcome, including historical, feminist, political, sociological, literary, linguistic, or anthropological. The editors will place special emphasis on three qualities in the process of selection: exposition of an interpretative viewpoint or theoretical approach, presentation of evidence in terms accessible to scholars working in other regions of Asia, and conclusions that either present new viewpoints or significantly enhance established interpretations.

Prospective authors may obtain a general idea of the approach from our February 1991 issue (50.1) on "Universalism and Relativism in Asian Studies." All submissions should be in the *JAS* format and follow the submission guidelines on the preceding page. Articles must not exceed 10,000 words, and shorter contributions are encouraged. The editor welcomes inquiries from interested authors about the suitability of a topic or an approach. The deadline for submissions is December 15, 1992.

A special panel of editors and referees will review the submissions, and the selection of articles will be announced by mail by January 15, 1993. Six weeks later, on the weekend of February 26–28, the authors of the selected manuscripts, the editors, and the referees will be invited to attend a two-day conference at the University of Wisconsin-Milwaukee, sponsored by the *Journal of Asian Studies* and the University of Wisconsin-Milwaukee and Marquette University joint Center for International Studies, at which the articles will be presented and discussed. The authors will then complete final versions before May 1 to permit publication in the November 1993 issue.
