

## Theaters of Intention

*Drama and the Law in Early Modern England*

Luke Wilson

*Theaters of Intention* examines the relation between law and theater in the early modern period, reading plays by Shakespeare, Jonson, Marlowe, and others to demonstrate how legal understanding of willful human action pervades sixteenth- and seventeenth-century English drama.

## British Theatre between the Wars, 1918–1939

Clive Barker and Maggie B. Gale

This volume initiates a long overdue reassessment of mid-twentieth-century British theatre cultures. Combining the popular with the commercial, it includes accounts of the craze for thriller and detective plays and musical comedy and revue, alongside analyses of historical pageantry and the development of politicised productions of Shakespeare.

## The First Quarto of Othello

Edited by Scott McMillin

This is the first modernized and edited version of the 1622 Othello. It is an important book for scholars in Shakespeare and Elizabethan-Jacobean drama, with wide ramifications for other Shakespeare textual studies and for students of early theatre history.

## Performing the American Frontier, 1870–1906

Roger A. Hall

*Performing the American Frontier* examines how the American frontier was presented in theatrical productions during the critical period from the end of the Civil War to the beginning of cinema. The book demonstrates the extraordinary variety of subject matter and theatrical styles used to dramatise the frontier.
