1. *Proceedings of the Cambridge Philosophical Society* is published once every two months. Three issues form a volume and two volumes are published each year. The 1974 subscription price (which includes postage) of a volume is £11 net (US \$36.00 in the U.S.A. and Canada). Papers in all branches of mathematics (including applications of mathematics in the natural and biological sciences) are within its scope.

2. Contributions for the *Proceedings* should be sent to the Mathematical Secretary at the Society's office (see above). Papers should be communicated directly by the authors.

3. Papers in languages other than English should be accompanied by a brief summary in English.

4. It is extremely helpful if diagrams are drawn in indian ink on white card, faintly blue or green-lined graph paper, or tracing cloth or paper. *Symbols, legends and captions should be given on a transparent overlay.* The Society recognizes that many authors do not have the facilities for producing drawings of a sufficiently high standard to be reproduced directly and it is therefore willing to have such diagrams re-drawn, provided they are reasonably clear.

5. References should be listed and numbered at the end of each paper and referred to by number in the text. Titles of journals should be abbreviated as in *Mathematical Reviews*.

6. Authors are particularly requested to prepare their manuscripts in a form suitable for printing, with adequate margins. The Secretary reserves the right to return scarcely legible manuscripts to the author. A pamphlet on the preparation of manuscripts may be obtained on application to the Librarian. If a large number of corrections are required in the proofs, the Council reserves the right to make a charge towards the cost.

7. Authors may receive on request 100 free offprints (for each set of authors in the case of a joint paper). Alternatively authors may have 50 free offprints in covers. Further copies may be obtained at reasonable cost. An order form is included with the galley proofs of each paper.

8. Second class postage paid at New York, N.Y.
