

NOTICES

It is noticed that we omitted to mention in the last Journal that in addition to the formal business presented at the Association's Eighth Annual General Meeting, members enjoyed the showing of a most interesting film "Air Head," depicting helicopter operations in Korea

Bar and refreshment facilities were provided so that informal discussion could continue. The Association is greatly indebted to Westland Aircraft Limited, for the showing of the film

REPRODUCTION OF BACK NUMBERS OF THE JOURNAL

The first six volumes of the Journal are now being reproduced in book form. These comprise 24 issues of the Journal between March, 1947, and April, 1953, in the form of three bound books, each comprising TWO volumes. These will be available from the office in November at a cost of £5 per book. Bound copies of Volume 7 are now available at £2 10s 0d per copy

MEMBERSHIP CONCESSIONS

(1) APPLICATIONS FROM SERVICE PERSONNEL

By a recent decision of the Executive Council, personnel of Her Majesty's Services who, at the time of their application, are serving as members of a helicopter unit, will be accepted for Membership of the Association without payment of Entrance Fee.

Applications should be supported by a letter from their Commanding Officer stating that the applicant is serving with such a unit.

(2) STUDENT MEMBERS

Existing or future Student Members of the Association, on reaching the age limit of over 25 years, will not be required to pay the Association's Entrance Fee of £1 1s 0d upon regrading to an appropriate grade in accordance with their qualifications.
