🦋 The Austrian Ministry for Science and Research will again grant a limited number of scholarships to U.S. students for the academic year 1982–83 for research and study in Austrian history. These scholarships may not be used to supplement a stipend from another scholarship or fellowship. Doctoral candidates will receive nine monthly installments of 5,500 schillings each, as well as a one-time 2,500 schilling travel subvention, health and accident insurance, and free tuition. Applicants should be between 20 and 35 years of age and *must* have an excellent command of German. Recipients of the grant are expected to register at an Austrian institution of higher learning or affiliate with a research institute and, with institutions in Vienna overcrowded, applicants are encouraged to look toward the provincial institutions. Candidates should send a letter of application, copies of their transcripts, at least two letters of recommendation, a detailed description of their intended research, and a résumé in *German* to Professor George Barany, Department of History, University of Denver, Denver, Colorado 80208. The *deadline for receipt of applications has been advanced to November 15, 1982*. The final selection will be made in February 1983 by the Austrian Institute in New York, mainly from applicants recommended by the American Committee to Promote Studies of the History of the Habsburg Monarchy. All materials, except for the confidential letters of recommendation, should be submitted in seven copies.

Members of the American Committee to Promote Studies of the History of the Habsburg Monarchy are: George Barany, University of Denver; Barbara Jelavich, Indiana University; William J. McGrath, University of Rochester; Stanley Z. Pech, University of British Columbia; Peter A. Sugar, University of Washington; Andrew G. Whiteside, CUNY; William E. Wright, University of Minnesota.
